WE LOVE OUR CUSTOMERS ...

I can't thank you enough for creating a magical room for our future daughter in law and son's marriage.

One week from a civil ceremony I realised there was no decoration organised and I approached Kim with a plea to transform a very plain room to fabulous venue. This was August Bank Holiday weekend and although there were many other Weddings to be catered for Kim transformed the room, Mike then collected the flowers and trees and delivered them to their Saturday Wedding festival venue where they were stunning. The flowers lasted a further 2 weeks and were just perfect. Kim and Mike, you're absolute stars, thank you so much, I'm thrilled with your calm approach to my last minute request.

Joe and I just wanted to say a huge thank you for the beautiful flowers you did for us on our wedding day. They were absolutely perfect and beyond anything we could have imagined.

Rachel & Joe

Just a little note to say thank you all very much for our beautiful flowers for our wedding. They were even more beautiful than we imagined they could be and many of our guests commented on them!

My bouquet was just perfect!

Tracey & Wilber Xavier

My wedding flowers; the bouquets, centrepieces and buttonholes were even better than I could have imagined. So beautiful. And the staff were so accommodating- especially with making my bouquet extra personal attaching a locket etc. Would highly recommend! Thank you. xxx
